

Greetings to y'all in the matchless name of our Lord and saviour JESUS CHRIST !

Today, I am here to share my Brief Testimony

I am Sandeep Kumar Pedapudi, S/O. P. Joshua & Kumari. I have an elder sister Haveela, when we were born to them they didn't know about CHRIST and worship the idols in the world, in a single word "They lived opposite to the Lord's commission". I was born in Vijayawada in the year 1993 June 12. And now I'm married Joy Shaily and blessed with 2 daughters and involved in God's duty.

My father and mother, they both worked in my childhood so they left me with my Grandparents, my father worked as a carpenter. My Grandparents are Secret Christians, especially my Grandmother taught me about JESUS Christ. My parents are busy in their works, they never used to come and see me, so from my childhood I never knew the love of parents, and I felt sad by seeing other kids. One day my Grandmother noticed my pain and loneliness. She gifted me a Bible to read, and she said the words "God so loves me". Then I asked her about

existence and His nature, who is He? Where is He from? and so many questions, she said only one word - Read the Bible in your hand, then you will get every answer to your question. After a few months, my Grandparents passed away because of their sickness. With the loss of them and the pain, my parents took me with them when I was 13 years. Until then I studied at my Grandparents' village called CUMBUM.

So, when I came with my parents to Vijayawada, I never forgot to pray and read my Bible though my parents follow the worldly idols. I never bothered them, but one fine day when I was getting ready to school they found the Bible in my bag and asked about that who gave me and why I was worshipping that God, that day they took away my Bible from me with tears and pain. I used to pray after all they sleep at night without knowing to them all. Like that I finished my schooling and joined in a college for my higher studies at Andhra Loyola College Vijayawada. My father is a big worshiper to Durga Devi which is very famous in Vijayawada, one day he went to work, then he fell down and was admitted in hospital, when the evening I went to see my Dad the doctor told that his kidneys were failed and he won't live for more than 10 days, by listening this I

went to him and said about JESUS and His POWER but he rejected to listen to my words.

One fine morning doctor called us and Said his condition is serious and won't live, that morning again i went with tears near him and prayed for his repentance heart, and then i started Sharing about JESUS,he listened to me and that afternoon , he asked me how to pray? i Said just talk how you talk with people , the he started asking lord to forgive him,sins and to heal him. The lord heard our prayers and at the night He turned his conditions to normal and all the doctor's, relatives were amazed by seeing his Condition. that same night God Called me with my name and said you are mine and you should do my work: he Called me from the Calling word to JEREMIAH (Jeremiah 1: 1; 7-10). then i accepted the LORD Call and left my studies and went for my Theological studies . And all my family Came to lord and started their new life in HIM. after going to my theological studies at ELURU Carmel Bible college , and few months later I went for evangelism tour to Butteyagudem tribal area to share about JESUS.

that day the forest people tied me to a tree for 2 days and they don't gave me food and water with that my situation went worse and I'm praying in that condition for help God heard the prayer and changed the tribel elder person heart to give something to survive after few hours all my friends took help of police to rescue me, the Lord delivered me from their hands and started using me as a witness in my theological college and in outreach meetings.

I completed my B.TH in the year of 2014 and decided to start full time Service for the LORD ,then I started a church is Kankipadu where God lead me here to start a Church in midst of Hindu and Muslim people as the lord lead i walked with HIM,

God Started to use me with healing and prophecy gift in different parts of Andhra Pradesh, at the same time my father also joined with me in ministry from then we both left everything and started to fulfil the Calling in our life . from then 2015 we Started 7 churches in 7 different villages and bringing some soul into the kingdom. As the year passes, in the year 2019 April 19 when im coming home from a prayer meet in the midst of Sikh community , the elders attacked me because of teaching them about

JESUS love, they break my hand and leg, I was hit strongly on my Head, I was admitted in Hospital for 2 months, in my bed Conditions 6 stitches on my head wound, with all that GOD restored me again to normal Conditions and kept me alive, from then God using me in a Challenging way with my Testimony and the gifts he has given me. After COVID we have reached 5000 people with Good news of JESUS in different parts in and around Andhra Pradesh from the year 2021 - 2023 at present. And we want to reach many souls to the kingdom of Lord

I and my Family receiving many warning calls, lost things, fired my bike and Car receiving opposition and going through persecution, But all in the midst of this persecution and challenges God never left and Showing His counting Favour to reach the lost.
